G1 CLIMBING + FITNESS · PERSONAL TRAINING

Client Intake Questionnaire

Date: 09/08/2026

Welcome! This helps your trainer plan a safe, useful first session. It takes about 10 minutes. Skip anything you'd rather talk through in person. Nothing here is a test, and you can update it any time.

1 · ABOUT YOU

Full name: Casey Sample
Preferred name: Casey
Pronouns (optional): they/them
Date of birth: 04/12/1991
Phone: (555) 010-0142
Email: casey.sample@example.com
Best way to reach you: [x] Text [ ] Email [ ] Call
Emergency contact (name, relationship): Riley Sample (sibling)
Emergency contact phone: (555) 010-0143

2 · YOUR GOALS

What brought you in? What would you like to change or achieve?
I started bouldering last year and I'm stuck around V3. I'd like a plan so I climb stronger and my shoulders stop feeling tight after sessions.

I'd like to work on (tick any)
- [x] Climb harder or more consistently
- [x] Build overall strength
- [x] Mobility and posture
- [ ] Cardio fitness and endurance
- [ ] Body composition
- [x] Stay healthy / lower injury risk
- [ ] Return to activity after a break
- [ ] Feel confident in the gym
- [ ] Other: _____

If we nailed it, what would success look like in 3 months?
Finish a session without shoulder tightness and send a couple of V4s.

Any event, trip or deadline we should plan around?
Climbing trip in the first week of December.

3 · TRAINING AND CLIMBING BACKGROUND

Climbing experience
( ) Not yet ( ) New (under 6 months) (•) 6 months to 2 years ( ) 2+ years

Usual climbing (days per week; bouldering / ropes): 2 days a week, mostly bouldering
Typical grade range (optional): V2 to V3, projecting a few V4s

Other regular exercise (what, how often): Walks most days; the occasional easy jog

Strength training experience
( ) None (•) Some, on and off ( ) Regular (6+ months)

What do you enjoy about training?
Short, focused sessions with a clear goal.

What do you dislike or want to avoid?
Long steady cardio. Being rushed.

Worked with a trainer or coach before?
( ) Yes (•) No

If yes, what worked or didn't?

4 · DAILY LIFE

Your work is mostly
(•) Seated ( ) On my feet ( ) Physical ( ) Mixed

Sleep (hrs): 6.5
Stress (1-5): 3
Sessions/wk: 2

Days and times that work for training
Tue and Thu evenings, Saturday mornings

Client: Casey Sample

5 · HEALTH AND COMFORT CHECK (self-reported)

Share only what you're comfortable with. This is not a medical exam, and your trainer can't diagnose or treat conditions. It helps us choose safe starting exercises and know when to suggest a licensed healthcare professional.

DOES THIS APPLY TO YOU?	YES	NO	PREFER TO DISCUSS
A doctor or other health professional has advised me to limit or avoid some kinds of exercise.	○	◉	○
I sometimes get chest pain, fainting, dizziness or unusual breathlessness during activity.	○	◉	○
I take medication, or have a condition, that may affect exercise (for example heart, blood pressure, breathing, diabetes or balance).	○	◉	○
I am pregnant or have recently given birth.	○	◉	○
I've had surgery or an injury in the past 12 months.	○	◉	○
I have pain or discomfort right now, in daily life or when exercising.	○	◉	○

Areas that are sore, injured, or have been a problem before (tick any, then add detail)

- ☐ Fingers / hands
- ☑ Wrists
- ☐ Elbows
- ☑ Shoulders
- ☐ Neck
- ☐ Upper back
- ☐ Lower back
- ☐ Hips
- ☐ Knees
- ☐ Ankles / feet
- ☐ Other

Details: what happened, when, what makes it better or worse, anything a professional told you. Anything else we should know?

Right wrist felt sore after long bouldering sessions last spring; settled with rest, no diagnosis. Shoulders feel tight (not painful) after climbing. No medications, no allergies.

6 · COACHING PREFERENCES

Hands-on adjustments (guiding a position) are

○ OK ◉ Ask me first ○ Please don't

I like to be coached

- ☑ Show me
- ☐ Tell me
- ☐ Let me try first
- ☑ Keep it simple

Anything that would help you feel comfortable training here?

A quiet corner for warm-ups would be great.

7 · AGREEMENTS AND POLICIES (wording pending G1 management approval)

PLACEHOLDER: waiver and liability release

PLACEHOLDER: privacy and health information

PLACEHOLDER: pricing and packages

PLACEHOLDER: payment terms

PLACEHOLDER: cancellation and late policy

PLACEHOLDER: under-18s and medical clearance

PLACEHOLDER: CLIENT ACKNOWLEDGMENT AND SIGNATURE. Add the signature block only after G1 approves the waiver and policy wording above.
